WELCOME

"Good Evening everyone — welcome to your DTA Night at the Races!

Brilliant to see you all out for a cracking night of racing, banter, and a wee flutter.

Since 2010, the DTA has raised over £22,000 for local charities and groups — from funding a public-use defibrillator outside the pub to backing community projects and grassroots football.

Every bet and donation tonight keeps that good work going — so thank you, and a big cheers to our fantastic sponsors for their support.

**Right then — let's get the races underway!
Good luck, have fun, and may the best horse win!"**
